# ARTS ELEKTRA

## PRESENTS

*Les Animaux* (Animals) is the second act of a site-specific performance art piece presented by **Arts Elektra**. As part of a larger collection of 12 acts entitled *C'est Le Moment Ou Jamais* (It's Now Or Never) that will be performed in different cities throughout the world. As French-American New Yorkers, Nikolai (The Strokes, Summer Moon) and Pierre Fraiture (Townley Gallery) are looking forward to bringing music, art, dance and film by kicking off Art Basel week at the Miami River Art Fair. The theme of *Les Animaux* (Animals) refers to a creative, spiritual and physical awakening that will be illustrated using various mixed media. A canvas created by Pierre Fraiture will be auctioned off following the performance benefitting the Foundation of Contemporary Art while DJing, live music and dance will work in harmony to support the main theme as well as showcase a brand new song by Summer Moon. Arts Elektra works with partnering charities with the the main tenets:  
Do Music. Do Art. Do Good.

SHOW STARTS AT 8PM
